1

Show that you know how to use and look after a digital camera or smartphone camera. Tick the boxes once you have learnt how to do the following:

- How to switch your camera On & Off
- Show what button you press to take a picture
- What you press to Zoom in and out
- What you press to turn the Flash on and off

Please show your parents this

2

Take at least five photos of your local area that could be used on a tourist leaflet or website.

3

Take photos while you're on a trip, event or a day in your life
Show 10 of your best photos to someone else. You could present them on a screen, in a photo book or some other way.

If you wish to, have a go at one of these ...

A) Make a short film on a subject of your choice

B) Using a series of photos, make a short animation sequence.

C) Edit a photo using a smartphone or editing software. Explain what you have changed and why.
