

Photographers Badge

Name:

1 Choose one of these two activities:

- Produce 12 photographs, featuring at least two of these photographic techniques: portrait, still life (or similar), landscape or seascape, sport or action, or timelapse.
- Produce six black and white photographs, based on a theme of your choice. Explain the steps you took to create them and the impact of using black and white as an alternative to colour images

2 Show that you know the main settings on a digital camera or a smartphone camera. This should include focus and exposure control, and flash settings.

Show parents

3 Edit some of your images, using editing software on a computer or using an app on a smartphone. This could include cropping, colour, contrast or light levels. Explain what you have changed and how it improved your image.

4 Show that you know how to care for a digital camera or smartphone camera.
